Featuring **Michael Edwards**, author *Future Positive: International Co-operation in the 21<sup>st</sup> Century* with comments by **Randall Dodd**.

*“Future Positive* is a potent blend of vision and pragmatism. Michael Edwards challenges all of us – NGOs, governments, corporations and consumers – to move beyond our conventional ways of thinking and join together to create a just and responsible international system.” Peter Bell, President of CARE and Co-Chair of International Dialogue.

**Michael Edwards** is the Director of the Ford Foundation’s Governance and Civil Society Unit in New York. After a series of senior management positions with Oxfam and Save the Children, he moved to Washington, DC to work as a Senior Civil Society Specialist in the NGO Unit of the World Bank. His writings have helped to shape a more critical appreciation of the global role of civil society, and to break down barriers between researchers and activists across the world.

**Randall Dodd** is the Director of the Derivatives Study Center at the Financial Policy Forum.
